QUOTE OF THE DAY

“Poets are the sense, philosophers the intelligence of humanity.” – Samuel Beckett

“Artists can color the sky red because they know it’s blue. Those of us who aren’t artists must color things the way they really are or people might think we’re stupid.” – Jules Feiffer

“Don't worry that children never listen to you; worry that they are always watching you.” – Robert Fulghum

“The doors we open and close each day decide the lives we live.” – Flora Whittemore

“To the art of working well a civilized race would add the art of playing well.” – George Santayana

“If money makes the world go round, it's humor that keeps it from spinning out of control.” – Craig Kimberley
